

# Acts 1:8 Example Responses

You may utilize the following grid and examples below to help develop your responses for questions 23a, 24a and 25a.

This list and the following examples are not exhaustive -- They are intended to help you develop your response which may include a variety of ministries and opportunities not reflected below.

The term “actively engaged in” includes both personally and/or financially. For example, whether your congregation financially supports or has personally sent members into Global Partners ministry, you are *actively engaged in* that ministry.
