**5. Editing of Standing Rules and Policies:** The District Secretary has the authority to edit standing rules and policies approved by the District Conference to conform to the approved editorial style and denominational and district terminology. (2009)

## **CHURCH TO PASTOR RELATIONS**

### **1. Pastoral Call Guidelines**

Whereas, calling the pastor is one of the most important acts that the local church can take. These guidelines are meant to provide guidance to assist the church in this important process, and to provide a framework for the pastoral candidates to work within.

All pastoral calls shall be for four years/extended calls, with reviews being conducted every four years by the Local Board of Administration. Only one pastoral candidate at a time shall be presented to the congregation for a message. A decision by the Local Board of Administration to recommend a pastor for a congregational vote, and the vote, if recommended, must take place before another candidate is considered. (Discipline 691:1) A minister, who has agreed to give a candidating message and to submit to a pastoral vote at one church, cannot do the same with another church until the first candidating situation is resolved. If the local board of administration does not recommend the candidating pastor for a congregational vote within seven days the waiting restriction no longer applies. (Discipline 691:3) (2011)

A pastor shall notify his/her Local Board of Administration immediately upon giving another church permission to vote on his/her name.

The terms of the proposed salary schedule and benefits shall be presented in writing at the initial interview.

Based on similar qualifications, the salary and benefits of an incoming pastor should be the equivalent of the base salary and benefit package of the outgoing pastor.

Any church calling a prospective pastor for an interview or a trial sermon shall be responsible to pay travel expenses, including transportation, meals and lodging. (1999)

### **2. Moving Expenses**

The Church calling a pastor to serve it shall pay his/her moving expenses to the church, including the expense of re-titling and licensing of up to two vehicles when state lines are crossed, the amount not to apply on his/her salary.

### 3. Vacation Weeks

Annual paid vacation shall be granted to pastors who have served The Wesleyan Church as follows:

- 2 weeks minimum vacation
- 3 weeks vacation for 10 - 19 years of service
- 4 weeks vacation for 20+ years of service
- Time spent serving at a NC West District Children's or Youth Camp shall not be counted as vacation. If a Pastor serves at a camp, the local church shall provide pulpit supply for at least one Sunday for the Sunday following the camp served.

Vacation in excess of two weeks shall be contingent on the pastor not having been away from his/her church over 14 days or two Sundays in special services or revivals. The local church shall be responsible for the pulpit supply while the pastor is on vacation. (2004)

### 4. Pension

The local church should pay full retirement benefits for pastors through the Wesleyan Pension Plan (The Wesleyan Discipline, par. 723). The Wesleyan Pension Plan defines full retirement benefits as 12% of cash salary including allowances for social security and the fair value of a church provided parsonage plus housing allowances. (2010)

### 5. Parsonage Facilities

Each church shall either equip its parsonage with heating facilities, major appliances, and provide for utilities or provide a housing allowance.

### 6. Minimum Full-Time Salary

In accordance with 1 Timothy 5:17-18, all N.C. West churches are encouraged to provide an adequate full-time compensation package for their pastor which includes cash salary, parsonage or housing allowance in lieu of parsonage; social security, pension and health insurance. In circumstances when churches cannot provide an adequate compensation package that includes these five components, they must allow the pastor to supplement his / her income through other means to adequately provide for his / her family as follows: any pastor being paid less than a total of an annual compensation package of at least \$50,000 (when the church provides a parsonage) or \$62,000 (when the church does not provide a parsonage) may seek and hold employment outside the church. The minimum compensation package shall increase at 2% per year. (2022)

If a pastor or a local church believes the spirit of this rule is not being adhered to, either may appeal their concerns to the district.

### 7. Annual Conference Expense

Since the pastor, assistant pastor(s), and local church delegates are representatives of the local church to District Conference; the local church shall be responsible to cover all their expenses for the full conference session, except those expenses covered by the District. (1995)

### 8. Pastor's Sabbaticals

A proposed sabbatical for a pastor must be jointly recommended by the pastor and the Local Board of Administration. The recommendation must be presented to the District Superintendent at least three months in advance of the recommended sabbatical. The request, presented in writing, must include all of the following information:

- The vote of the LBA, certified by the signature of the pastor and Local Church Secretary;
- The length of the sabbatical (4 weeks minimum);
- The specific dates of the sabbatical.

The approval of the requested sabbatical or a modification will then be considered by the District Superintendent who will send a written response to the pastor and the vice-chair of the LBA from the church submitting the request.

A church granting a sabbatical will be responsible for:

- Approving financial provisions and benefits through the tenure of the sabbatical;
- Arranging for and payment of pulpit supply in the absence of the pastor;
- Securing responsible persons to provide pastoral care in the absence of the pastor (i.e. weddings, funerals, visitation, counseling, etc.)

A Pastor taking a sabbatical will be responsible for:

- Giving rationale for the sabbatical (i.e. extended trip, educational pursuits, physical rest, emotional rejuvenation, etc.);
- Being sensitive to the calendars of the local church, district and denomination in scheduling a sabbatical;
- Being responsive to the special needs of the congregation during his/her absence (i.e. funerals, crises, etc.). (2005)

## **9. BENEFITS FOR RETIRED MINISTERS**

As a means of assisting qualifying retired ministers with their on-going health care costs, The District provides the following benefits:

- \$1,600.00 per year, paid \$400.00 each quarter, to assist with the payment of Medicare premiums or other health care coverage.
- These benefits will be provided beginning at the date the minister is eligible to retire and receive full Social Security benefits.
- If a minister is forced to retire early due to disability, the benefits will begin at the time the disability is granted and disability benefits begin.
- These payments do not qualify as health care benefits and will be reported to recipients on form 1099.

This open program is available to all qualifying retired ministers. A qualifying minister shall have ten consecutive years of service one or more local churches in the North Carolina West District immediately prior to retirement. ## **DISTRICT POLICIES**

Contact the district office for information on the following:

1. Guidelines for sale of parsonage
2. Process for establishing Daycare/school
3. Facility usage agreement

## **CHILDREN AND YOUTH MINISTRY RECOMMENDATIONS**

### **1. Workers Screening & Training**

Each local church should implement a policy for recruiting, screening, hiring and regular training of youth and children's staff and/or volunteer workers. Criminal background checks, as well as previous employment and all references should be checked for those in supervisory capacities with children and youth, including but not limited to paid staff. (2010)

### **2. District Volunteers Policy & Training**

All District Kids and Youth Camp Counselors/Volunteers shall have a background check complete and on file with the camp director before they are allowed to work with NC West Camps in any capacity. The camp leadership shall also provide on-site training for all camp counselors/volunteers. (2010)

### **3. "Two-Adult" Rule**

Each local church should follow the "two-adult rule," which requires no fewer than two adults be present at all times during any church-sponsored program, event, or ministry involving children. In cases where this places a great stress upon the congregation, the second adult may be a roving superintendent or monitor during the meeting or teaching time, and the doors must be left open. (2010)

### **4. Liability Insurance**

Every church should be insured for the scope of its ministry with coverage that includes a sexual misconduct policy that covers paid and volunteer staff along with an umbrella policy for additional liability coverage. (2010)

### **5. Local Church Training**

Training sessions for all workers with children and youth should be held annually. All workers should be informed of the state requirements in reporting abuse to law enforcement and child protective services. North Carolina mandates reporting, if there is reasonable cause to suspect child abuse. Incidents should be reported to the authorities and the District Superintendent as soon as they are known. (2010)

### **6. First Aid Training**

A local church should offer training for first aid and CPR on an annual basis for all workers with children/youth or always have phone access to a person who has first aid and CPR training. (2010)

## **7. Age Considerations**

If youth, under the age of 18, work with children, they should be doing it in a training capacity with an adult. We suggest staff and volunteers are at least 5 years older than the oldest child being supervised. (2010)

## **8. Room Access & Visibility**

Each room set aside for children/youth should have a door with a window, a half door or an open door with a gate. If there is no window, the door must be left open at all times. (2010)

## **9. Precautions for Counseling**

Counseling is expected to be confidential in nature, but it is for the protection of both parties that such sessions take place where other people are nearby even though not within hearing distance. The pastor's study and staff offices should have a clear glass window in the door or the door should be left ajar. (2010)

## **10. Parental Information and Permissions**

Ministry leaders should give full information regarding events, including time of departure, destination, and time of return and contact information. Written permission should be received from parents for child's/student's participation. Medical information and release forms for every child or student should be on file and accessible to the group leader on overnight trips. (2010)

## **11. Accountability Relationship**

All pastoral staff should be in a healthy accountability relationship. Pastors will be asked quarterly to report on the health of their accountability relationship. Pastors and staff are encouraged to take advantage of LDJ and other times where they can build relationships with those who are facing the same struggles that they may face in ministry and life. (2010)

The District Superintendent's report is found in its entirety in the District Conference packet on pages 7-11.

District Superintendent Lumston reported that, in recent surveys, there are indications that the younger generation are outpacing the older generation when it comes to values, attendance and service in the church.

District Superintendent Lumston shared that churches must avoid the mindset of just "holding on" or "stop losing ground" which often occurs when the church loses sight of its mission. Churches must come to the realization that they are either growing or declining.

District Superintendent Lumston reported that the percentage of churches today that are effective in evangelism has dropped dramatically in the last ten years. District Superintendent Lumston shared that 'authenticity' is the new key to reaching today's culture. However, in order to reach today's culture, churches

must be unique in addition to being authentic. District Superintendent Lumston closed his report by asking, "What could your church do to stand out in the community?"

## **Hurricane Helene Relief**

District Superintendent Lumston expressed his appreciation for the churches in the NC West District for their giving, time and resources in providing supplies and making repairs from the damage of Hurricane Helene. - **Rev. Bradley Hill – Rise Up Network** – Rev. Hill and 'Rise Up' Network which he founded, have been leading the efforts to repair and restore Old Fort Wesleyan Church in Old Fort NC. ##### **Memorial #1: Women in Ministry**

(Submitted by: 22 district conference delegates – Ministerial and Lay)

Whereas, The Wesleyan Church is an egalitarian denomination, fully acknowledging that women and men are equal in responsibility and authority to serve the Church, with a rich history of ordaining women – including the first woman to be ordained in North America by Wesleyan pastor Luther Lee; and

Whereas, The Wesleyan Church has a position paper, approved by the General Board, related to the subject of women in ministry, but no definitive statement (other than 360(3)d) in the Discipline of The Wesleyan Church that states the denomination's position on women in ministry; and

Whereas, the lack of a statement in The Discipline has the unintended consequence of giving leverage to those who wish to prevent women from serving in ministry, claiming the denomination does not have an official position; and

Whereas, a definitive statement in The Discipline which includes both women and men for all areas of pastoral service and ministry work provides the foundation for an increase in the understanding of both genders' responsibility to be faithful to God's call,

**Resolved that paragraph 675 in the Discipline be updated to read as follows:**

**Discipline 675: A pastor is a woman or man who is an ordained, commissioned, or licensed minister, who is called by God and appointed by the Church to serve as the spiritual shepherd, teacher, and administrative overseer of the local church; preaching the Word, directing the worship, administering the sacraments and ordinances of the**

Church; taking the comforts of the gospel to the sin-burdened, the sick, and the distressed; discipling converts, nurturing and instructing believers, equipping and enabling them for their part in ministry; and serving as chief executive officer in the government of the local church (3007).

And, Resolved that a new paragraph be added to the Discipline as paragraph 3007, using the exact wording in the most recent position paper as approved by the General Board of The Wesleyan Church on Women in Ministry Leadership: Discipline (New Paragraph) 3007 (referenced in paragraph 675):

**3007: The Wesleyan Church affirms that woman is fully equal to man in terms of her responsibility, as directed by the Holy Spirit and authorized by the Church, to preach, teach, lead, govern or serve in any office or ministry of the Church.**

**Memorial #1 is NOT recommended to the District Conference.**

#### **Memorial #2: Women in Ministry**

(Submitted by: Conference Action Committee)

Whereas, The Wesleyan Church has historically supported and acknowledged that women and men are equal in responsibility and authority to serve the Church in every ministerial capacity, having ordained the first woman in North America by Wesleyan pastor Luther Lee and having elected a female General Superintendent, and

Whereas, The Wesleyan Church has a position paper, approved by the General Board, related to the subject of women in ministry, but no definitive statement (other than 360(3)d) in the Discipline of The Wesleyan Church that states the denomination's position on women in ministry, and

Whereas, the lack of a position statement in The Discipline gives the appearance that The Wesleyan Church does not have an official position, which may be leveraged to prevent women from serving as ministry leaders in every capacity, and

Whereas, a definitive statement in the Discipline which includes both women and men for all capacities of leadership provides the foundation for an increase in the understanding of both genders' responsibility to be faithful to God's call,

**Resolved that a new paragraph be added to the Discipline as paragraph 3007;**

**3007: The Wesleyan Church affirms that women are fully equal to men in terms of responsibility, as directed by the Holy Spirit and authorized by the Church, to preach, teach, lead, govern or serve in any office or ministry of the Church.**

**Memorial #2: Women in Ministry is recommended to the District Conference.**

There was a motion of support for Memorial #2. Ballots were cast to approve **203 Yes to 11 No.**

**Memorial #2: Women in Ministry.**

#### **Memorial # 3 Effect Of Sin Is Death**

(Submitted by: Cornerstone Wesleyan Church)

Whereas, disobedience to God is sin and the wages of sin is death. (Romans 6:23) (John 3:36); and

Whereas, God told Adam that he could eat of any tree of the garden except the tree that was in the middle of the garden. He also told him that the consequence of disobedience would be death. By using an emphatic form, God stressed to Adam that should he disobey God's command he would surely die. This instruction did not merely mean separation from God, but that physical death would result from disobedience to this command. (Genesis 2:16-17); and

Whereas, our current Discipline of the Wesleyan Church does not mention death as a consequence of sin, yet this is the one result that God specifically mentioned to Adam that would result from his disobedience; and

Whereas, since the sin of Adam and Eve all men have suffered physical death, with only the two known exceptions of Enoch and Elijah. (Genesis 5:24; 2 Kings 2:11); and

Whereas the last effect of sin that will be removed is death. (1 Corinthians 15:26); and

Whereas, that the promise of the gospel is that we be set free from the effects of sin and physical death and experience eternal life, with a new body. (John 3:16, Acts 4:2; 1 Corinthians 15: 20-21, 42-57); and

Whereas, because of the resurrection from the dead by Jesus Christ we have a living hope – the hope that we also will be raised from the dead (1 Peter 1:3); and death will have no power over us (Rev. 20:6); and

Whereas, death did not precede sin, but the sin of Adam preceded death in accordance with Romans 5:12; and

Whereas, death is an issue that confronts us all; and

Whereas, one of the principal objections by many to putting their faith in God is “How could God be good when He allows all this death?”; and

Whereas, one of the prevalent teachings in our society today is that mankind slowly evolved through an evolutionary process in a world filled with death before the first man ever existed, thereby teaching that death preceded sin and therefore is not a result of sin; and

**Be it Resolved, that Article 225 be amended and the following words be inserted in the first sentence following the word “world”, “and death through sin”. The second sentence would also be amended by inserting “resulting in both physical and spiritual death,” following the word “humanity” The first two sentences would then read “We believe that through the disobedience of Adam and Eve, sin entered into the world and death through sin and all creation suffered its consequences. The effects of sin include disruption of the relationship between God and humanity resulting in both physical and spiritual death, deterioration of the natural order of creation, and exploitation of persons by evil or misguided social systems.**

**Memorial #3 is NOT recommended to the District Conference.**

# DISTRICT LEADER REPORTS

## **Report of the District Superintendent**

### **North Carolina West District**

Pastors, delegates and guests of the forty-seventh conference of the North Carolina West District of the Wesleyan Church. It's my privilege to greet you once again and share news of the past year and thoughts to guide us as we move into the coming year. Normally, I choose a passage and a message to share but this year I will be condensing my remarks in order to allow for more time in which we can hear testimonies of God's faithfulness during our time of great need. While the past year presented significant challenges, God once again showed He is greater than our need.

#### **THE CHURCH STILL OFFERS THE BEST HOPE**

The Western part of our district suffered a once in many generations event with the arrival, fury and damage left by Hurricane Helene. Forty trillion gallons of rain fell on the region with some areas receiving over thirty inches. Big storms are measured in "100 Year Floods" or "500 Year Floods". The devastation of Hurricane Helene was a greater than once in a 1,000-year flood. Over 200 lives were claimed and the damage has added up to the costliest storm on record with estimates being well over \$200 billion. Though the storm left a 500-mile path of devastation the mountains in Western North Carolina drew the worst of the weather as the storm system "parked" over the region and flooded areas that had never previously flooded.

The pictures and videos from our towns and communities have served as a devastating reminder as to how the world can change overnight. People lost their lives, homes, jobs and sense of security and many are still battling to live normal lives once again. There was no water, supply lines were cut off, landline and cell phone service were interrupted and the region was paralyzed by all the damage.

Although the devastation of the storm was the focus, the real news has been the resilience and determination of the people in Western North Carolina. To be more specific, the storm allowed the church to move back into a prominent place in the culture. While the government struggled to assist in some of the most basic ways, the church was visible, effective and unleashed into communities whose hope had been erased. The days that followed the storm saw Wesleyan churches and many other denominations step into the void.

After years of media and culture attacking organized religion, it was our turn to tell the rest of the story. Before the roads were reopened, churches outside the area began gathering supplies. Before it was deemed safe to enter the impacted areas, deliveries were on their way. When the world was stripped of all its nonsense and noise, the church was present. People were rescued, meals were served, and lodging was arranged. I strongly believe that The Lord

allowed us to show His Goodness and be the answer that many people were looking for. After years of efforts and events to try to connect with those who had not chosen to follow, they were now lined up in our parking lots, speaking with our people and discovering that the things they had heard about church and religion were actually myths. Neighbors met those who lived around them and people poured into the Western North Carolina Mountains from all over.

We will have some time this conference for a more specific report but it should be clear that we are grateful – not for the devastation – but for the chance to offer hope in an incredibly hopeless time.

### **DON'T MISS THE REAWAKENING/CULTURAL SHIFTS**

After years of discouraging surveys and the accompanying examples of young people walking away from church, we are beginning to see a turn. Gen Z and Millennials are showing signs of revival and renewal. In fact, the youngest generation has been signaling a continuing and growing commitment to spiritual matters. In some of the most recent surveys, their values, attendance and service are outpacing the older generations in the church.

How do we set our sails to take advantage of these cultural winds? Perhaps we could remember the time when our denomination focused on the younger people among us. Most of our churches made a Youth Pastor their initial staff to add, believing that so many decisions are made in the teen years that we needed to focus on shaping the hearts and minds of young people. Or, we could remember the times when we allowed our young people to be actively involved in the ministry. I have lost track of how many of our Pastors have shared that they first preached in their teen years.

Every church wants young people but few want to take the necessary steps to connect with them, nurture them and release them into the world ready to meet spiritual challenges. I smile when I see a church caring for young people. They do this by making sure ministries are present for them and by including them in the activities of the church.

### **"HOLDING ON" IS A PATHWAY TO CLOSURE**

When a church begins to lose pursuit of the mission a troubling mindset takes over. We begin to believe that we must "hold on" and "stop losing ground". We realize that momentum, and specifically the loss of it, can be a challenge. In order to display a sense of health, we find ourselves readjusting the mission from taking new ground to holding existing ground. We move from reaching others and taking new ground to holding on to what we have and trying to make sure we stop the loss. If statistics that were crucial begin to tumble, we find new benchmarks to set and readjust the priorities.

However, "holding steady" is a path of frustration. In that mindset, we allow attitudes, priorities and decisions to guide our way and the path of Biblical Discipleship and Kingdom

Evangelism to move to the back burner. Knowing that we can't afford to lose anyone else, we begin reorienting our mission around keeping people and allow reaching people and building up people to fade out of view. And it's all an illusion – churches are usually growing or declining – only ten percent of churches are actually "holding things steady" although many believe they are accomplishing that task.

Holding steady is not just limited to a small percentage of churches, it's also a practice that can only last for a brief time. At the end of the day, our churches are either growing or declining. The seemingly safe approach of keeping things stable is just a mirage and shifting our thinking to that practice will effectively stymie any other efforts to regain momentum.

### **REACH OUT OR TURN INWARD**

In 2015, Pastors surveyed reported that only 11% of churches were effective at evangelism. That number dropped to 1% this year. Everyone in this room that is attending the conference is doing so because you are part of one of our churches and you are part of one of our churches because someone at some point reached out to you.

The problem with ineffective evangelism is that there is not a substitute for it. For years, we focused on making our churches and ministries more attractive and for some it paid off – people migrated to your church from another congregation. However, in all of the transitioning and transfer very few recognized that we were losing valuable ground in the culture.

The Gospel is sincerely transformational. While working in flooded homes and communities, we were interspersed with people who never have or never would walk into our buildings. We were able to witness firsthand how a life and/or family could be forever changed by entering into a relationship with Christ. However, there aren't enough catastrophic events to give us the kind of exposure that we need. We have wandered so far from the basics of evangelism. There are no shortcuts or programs, it takes an intentional investment into the life of someone who is missing the Hope of the Gospel.

### **AUTHENTICITY IS THE NEW KEY**

Generations tend to come to Christ because of key factors that are important to those who belong to the specific age group. Years ago, loyalty was the key to commitment. Then, my generation, the baby boomers, decided that it was more about what we got from a church or a service. We sought places with the best music, programming and an understanding that church was going to grow by meeting the needs of those who were seeking.

The newer generations don't attend based on loyalty – it's not their driving initiative. At the same time, they are a bit weary of things being produced to the finest details. They are hungry and seeking but ideally want to find a church and a people who are authentic. They are interested in how to grow spiritually and overcome common temptations but they also are

in search of a church, pastor and people who are “real”. That means that they are drawn to times in a service that are Spirit guided rather than ordered in a bulletin. They are seeking a pastor who knows the answers of the Gospel but doesn’t deny the pitfalls of the culture. They enjoy good music but prefer those leading to be more vulnerable and open than precise, scripted and always on key.

It’s also a bit more than authenticity. After visiting church after church, many are tiring of what they perceive as a “cookie cutter” church and are looking for churches that “stand out”. In the attractional era, “standing out” meant that a church had a high level of excellence in music and production values. While no one is looking for low quality music and production, there does seem to be a desire to find churches that are unique. That uniqueness can be a close-knit group that covers each other in prayer or a church that has invested heavily into its community or a church that teaches the Bible rather than peddling politics or self-help messages. People are hungry for the word, to find others who will join them in their spiritual walk and to become what God intended for them to become.

What could your church do to stand out in the community? While churches are made up of believers with a variety of gifts, it’s often true that the church itself has a unique gift that drives its ministries. Some are great at feeding the hungry and meeting basic needs. Some are gifted at pushing back on the anti-Christian culture and are featuring sermons and training on issues like Biblical masculinity and femininity or countering some cultural myths that have become accepted as valid. Some churches are especially gifted in prayer and are fighting significant spiritual battles on their knees but also on “the front lines”. Please know that we all need to do what we can to offer comprehensive Biblical ministry but it is not an incorrect instinct to discover that God has gifted your church in some unique ways. I would be grateful if every pastor and delegate would return to their church and have the congregation invest some time in discovering how God might have equipped them to connect with those who have not yet found and/or followed Him.

I’d like to close by sharing something I have repeated again and again over the last year – I have never been more grateful to be a part of this district and our denomination. It has been humbling to watch our pastors and people wade into the most difficult of times in order to let people know that they are cared for and do not have to face difficult days without people to stand with them and to assist them. I have closed many messages over the past year by relating how Christians have gone above and beyond to bless those who are in need. In many cases, our neighbors lost their homes.

That spirit of generosity and outreach has opened the minds of many who had previously decided that church and religion had nothing to offer them. While many have returned to their earthly homes, they have not made any preparations for their eternal home. If we have been willing to drive extended miles, work long hours, give generously and do what is necessary to help people return to their earthly homes, how can we not offer the same assistance, and even more, for those who have not yet prepared for life in the world to come.

**Assistant District Superintendent Report**  
**District Conference June 2025**

**Western North Carolina**

Western North Carolina has been devastated due to Hurricane Helene. One of my roles as ADS was helping coordinate getting supplies and work teams in the area. The love and support for the people in WNC has been amazing to see. I would like to express how thankful I am to serve with such wonderful pastors who have done an amazing job serving the people in WNC. I would like to thank the following people for their leadership in WNC: Rev. Amanda Fowler, Rev. Tim Clark, Rev. Chris Uren, Rev. Jason Madison, Rev. Scott Wheeler, Rev. Selina Wheeler, Rev. Josh Baker, Rev. Kenny Johnston, Rev. Josh Dawalt, and Rev. Kaylee Wilkerson, Rev. Jon Christ, and Rev. Jerry Lumston.

**Spiritual Formation**

I also had the wonderful privilege of serving on the Spiritual Formation Committee. As a member of the committee, I was able to help plan this year's Spiritual Formation event. Rev. Elizabeth Covington-Cohen continues to do a fantastic job leading this committee. Rev. Joy Garman, Rev. Thomas Canfield, and Assistant District Superintendent Rev. Todd Reynolds have all served well and made wonderful contributions in planning for this year's Spiritual Formation Event. This year's event (Engaging the Generations) took place on March 15, 2025 at United Wesleyan Church and was a wonderful time of learning and discussion. I want to express a thank you to Rev. Patrick Dagenhart and United Wesleyan Church for hosting this year's Spiritual Formation event.

**Ministerial Training**

I am continuing in helping new ministerial students enroll with headquarters and enroll in ministerial classes. Thus far we continue to see individuals seeking permanent licensing, and further emphasis upon studying for ordination is needed. I want to encourage pastors to emphasize the importance of pursuing ordination with ministerial students in their congregation. The MTP (Ministerial Training Program) is beginning to take shape. Several pastors in our district have the educational qualifications needed to teach classes. Those who are applying, or have applied and are awaiting approval from headquarters are: Rev. Josh Baker, Rev. Mark Poe, Rev. Chris Uren, Rev. Scott Wheeler, Rev. Selina Wheeler, and Rev. Curtis Williams. If you would like to recommend a pastor who has a Master's Degree to teach classes please let me know. Thus far the following pastors, along with myself, have been approved to teach classes in the NC West District MTP: Rev. Kenny Johnston and Rev. Dr. Dee Stokes (NC East). Dr. Stokes' class is an

online class that counts toward “Intro to Theology” which is one of the core seven classes needed for licensing. If you would like more information about this class do not hesitate to reach out to me. Rev. Kenny Johnston has also just received approval for the “Doctrine of Holiness” class that he recently wrote. This class will be offered in in mid-August of this year.

**Forte**

On a final note, I have assisted District Superintendent Rev. Jerry Lumston in texting, emailing, or visiting with several pastors in our district to check-in on health issues and/or family health issues. I would like to express my thanks to Rev. Katherine Pace for her help in ministering to many ministerial families in the NC West District. One of the needs I continue to hear from our pastors is the need for ministry coaching. This year we have partnered with “Forte”, which is a coaching ministry for our ministers to use. Currently, there are many open spots for pastors to take advantage of this free resource. I would love to speak with the pastors more about this wonderful ministry and how it can help our ministers in the ministry they are serving. If you are a minister in the NC West District and are interested in this free ministry please contact me at your convenience.

Respectfully Submitted,

Rev. Matt Mitchell

### **Assistant Superintendent Report**

To our General Official, District Superintendent Lumston, Pastors, Delegates and Guests of the 2025 North Carolina West District Conference.

It has been an honor and privilege to serve as an Assistant Superintendent this past year. I have been blessed to serve the district in this ministry. I could not do this without the support of my church family. I am so thankful for the staff and congregation of Shady Grove. It is a blessing to serve them and do ministry with them. They remind me often of the joy of being part of the body of Christ.

It is an honor to serve with Pastor Jerry, Pastor Matt and Nancy. This past year I have tried to assist Pastor Jerry as much as possible in various tasks. I hope my assistance has not caused him more work. I've also sought to aid Pastor Matt in preparing to serve as full-time Assistant District Superintendent. He has taken leadership of the District Board of Ministerial Development the last couple of years and is doing a great job with this ministry. I believe it will be a great help for Pastor Jerry to have a full time assistant once again. Pastor Matt will be a blessing for our district in that role.

Lately I've thought often about vision. I typically think of vision as the ability to cast goals and dream dreams. When I read Proverbs 29:18 "without vision the people perish", I think a church or group without a goal will perish. God has changed my understanding of vision from one of setting goals to having the ability to perceive what others can't. Blindness is not the lack of sight it is the lack of perception. I've come to understand vision is the ability to perceive Jesus even when I can't see or understand Him.

Jesus began his ministry with the phrase "the kingdom of heaven is near". He is challenging us to vision. See things the way God says is true even when our senses and all the world denies those things. Paul says, "do not conform to the pattern of this world but be transformed by the renewing of your mind." Learn to see and think differently than the culture around you.

All the Easter stories give some account of how Jesus was with someone, but they did not perceive Him or recognize Him. God is not in heaven far away; He is right in the middle of the chaos. God is present. He is Emmanuel, God with us. It takes vision to see Him. Maybe the biggest prayer we can pray is the prayer of Bartimaeus. Jesus asked Bartimaeus a blind beggar "what do you want me to do for you?" He answered "Lord, I want to see". I believe if we were to see Jesus all our goals and dreams would be met.

## Report of the Conference Action Committee

### **Memorial #1 Women in Ministry**

Whereas, The Wesleyan Church is an egalitarian denomination, fully acknowledging that women and men are equal in responsibility and authority to serve the Church, with a rich history of ordaining women – including the first woman to be ordained in North America by Wesleyan pastor Luther Lee; and

Whereas, The Wesleyan Church has a position paper, approved by the General Board, related to the subject of women in ministry, but no definitive statement (other than 360(3)d) in the *Discipline of The Wesleyan Church* that states the denomination's position on women in ministry; and

Whereas, the lack of a statement in the *Discipline* has the unintended consequence of giving leverage to those who wish to prevent women from serving in ministry, claiming the denomination does not have an official position; and

Whereas, a definitive statement in the *Discipline* which includes both women and men for all areas of pastoral service and ministry work provides the foundation for an increase in the understanding of both genders' responsibility to be faithful to God's call,

**Resolved** that paragraph 675 in the *Discipline* be updated to read as follows:

#### *Discipline 675:*

*A pastor **is a woman or man who** is an ordained, commissioned, or licensed minister, who is called by God and appointed by the Church to serve as the spiritual shepherd, teacher, and administrative overseer of the local church; preaching the Word, directing the worship, administering the sacraments and ordinances of the Church; taking the comforts of the gospel to the sin-burdened, the sick, and the distressed; discipling converts, nurturing and instructing believers, equipping and enabling them for their part in ministry; and serving as chief executive officer in the government of the local church (3007).*

And, **Resolved** that a new paragraph be added to the *Discipline* as paragraph 3007, using the exact wording in the most recent position paper as approved by the General Board of The Wesleyan Church on Women in Ministry Leadership:

#### *Discipline (New Paragraph) 3007 (referenced in paragraph 675):*

***3007: The Wesleyan Church affirms that woman is fully equal to man in terms of her responsibility, as directed by the Holy Spirit and authorized by the Church, to preach, teach, lead, govern or serve in any office or ministry of the Church.***

## **Memorial #2: Women in Ministry**

Whereas, The Wesleyan Church has historically supported and acknowledged that women and men are equal in responsibility and authority to serve the Church in every ministerial capacity, having ordained the first woman in North America by Wesleyan pastor Luther Lee and having elected a female General Superintendent, and

Whereas, The Wesleyan Church has a position paper, approved by the General Board, related to the subject of women in ministry, but no definitive statement (other than 360(3)d) in the Discipline of The Wesleyan Church that states the denomination's position on women in ministry, and

Whereas, the lack of a position statement in the Discipline gives the appearance that The Wesleyan Church does not have an official position, which may be leveraged to prevent women from serving as ministry leaders in every capacity, and

Whereas, a definitive statement in the Discipline which includes both women and men for all capacities of leadership provides the foundation for an increase in the understanding of both genders' responsibility to be faithful to God's call,

Resolved that a new paragraph be added to the Discipline as paragraph 3007;

**3007: The Wesleyan Church affirms that women are fully equal to men in terms of responsibility, as directed by the Holy Spirit and authorized by the Church, to preach, teach, lead, govern or serve in any office or ministry of the Church.**

## **Memorial # 3 Effect of sin is death**

Whereas, disobedience to God is sin and the wages of sin is death. (Romans 6:23) (John 3:36); and

Whereas, God told Adam that he could eat of any tree of the garden except the tree that was in the middle of the garden. He also told him that the consequence of disobedience would be death. By using an emphatic form, God stressed to Adam that should he disobey God's command he would surely die. This instruction did not merely mean separation from God, but that physical death would result from disobedience to this command. (Genesis 2:16-17); and

Whereas, our current Discipline of the Wesleyan Church does not mention death as a

consequence of sin, yet this is the one result that God specifically mentioned to Adam that would result from his disobedience; and

Whereas, since the sin of Adam and Eve all men have suffered physical death, with only the two known exceptions of Enoch and Elijah. (Gen 5:24; 2 Kings 2:11); and

Whereas the last effect of sin that will be removed is death. (1 Corinthians 15:26); and

Whereas, that the promise of the gospel is that we be set free from the effects of sin and physical death and experience eternal life, with a new body. (John 3:16, Acts 4:2; 1 Cor 15: 20-21, 42-57); and

Whereas, because of the resurrection from the dead by Jesus Christ we have a living hope – the hope that we also will be raised from the dead (1 Peter 1:3); and death will have no power over us (Rev. 20:6); and

Whereas, death did not precede sin, but the sin of Adam preceded death in accordance with Romans 5:12; and

Whereas, death is an issue that confronts us all; and

Whereas, one of the principal objections by many to putting their faith in God is "How could God be good when He allows all this death?"; and

Whereas, one of the prevalent teachings in our society today is that mankind slowly evolved through an evolutionary process in a world filled with death before the first man ever existed, thereby teaching that death preceded sin and therefore is not a result of sin; and

Be it Resolved, that Article 225 be amended and the following words be inserted in the first sentence following the word "world", "and death through sin".

The second sentence would also be amended by inserting "resulting in both physical and spiritual death," following the word "humanity"

The first two sentences would then read "We believe that through the disobedience of Adam and Eve, sin entered into the world and ***death through sin*** and all creation suffered its consequences. The effects of sin include disruption of the relationship between God and humanity ***resulting in both physical and spiritual death***, deterioration of the natural order of creation, and exploitation of persons by evil or misguided social systems.

EDUCATION REPORT  
NC West District of the Wesleyan Church  
2024-2025

We have some exciting news regarding clergy training for NC West ministerial students. Last year I reported that our district was approved by Headquarters (HQ) to begin a “Ministerial Training Program” (MTP). With the approval of HQ, we launched our MTP last year by offering the Supervised Ministry requirement, which is needed for students seeking ordination in the Wesleyan Church. This year we have continued building the NC West MTP. Several of our clergy have applied to HQ and are being approved to teach various classes. Recently, Rev. Kenny Johnston was approved to teach in our MTP and he wrote a course for “Doctrine of Holiness”. Pastor Kenny will be offering this class to our NC West ministerial students this Fall. The class will include several zoom meetings and one in person meeting on a Friday evening and all-day Saturday. We are looking forward to launching this class this year, along with other classes as the year progresses at a very affordable rate for our students.

It is important to note that the district MTP is not a degree program, but instead a credentialing program. The MTP exists to help students become Licensed Ministers or Ordained Ministers in the Wesleyan Church. There are also other ways in which our ministerial students can become licensed or ordained through other credentialing programs. Other options include: Flama, Kingswood Extended, Kingswood Learn, and Cross Training through Oklahoma Wesleyan University. Some students may be able to get credit for ministry classes by submitting a portfolio describing ministry experience.

However, we also know that many of our students desire to get a degree in ministry, theology, religion, etc. For those seeking to get an undergraduate degree or master’s degree, I would encourage you to check out one of our Wesleyan educational institutions: Houghton University, Indiana Wesleyan University, Kingswood University, Oklahoma Wesleyan University, Southern Wesleyan University, and Wesley Seminary at Indiana Wesleyan University.

The different options for attaining the educational requirements may be overwhelming for some to navigate. Please know that I am happy to walk with anyone wanting to explore the many options. While there is not enough room in this report to explain all the details of exploring a call to ministry and the classes needed for licensing, permanent licensing, and ordination – please feel free to get in contact with me and I will be happy to discuss the best pathway for your calling. For those who are seriously reflecting upon God’s calling upon your life, I would encourage you to check out the following link:

## **NC West District Spiritual Formation Director Report 2024-2025 Conference Year**

This year, I had the honor and privilege of serving as the Director of Spiritual Formation for the NC West District. The committee is comprised of a wonderful group of pastors in our district, including: Rev. Thomas Canfield, Rev. Joy Garman, Dr. Matt Mitchell, and Rev. Todd Reynolds. As a team, we collaborated well together and prayerfully sought out how to best support the churches in the NC West District.

Last year at district conference, a survey was given out to all conference delegates. The purpose of this survey was to provide the spiritual formation committee with information that we could use to create a meaningful event that would meet the needs of churches in our district. In our first meeting of the year, we reviewed the information from the survey and began discussing the recurring themes. One of the biggest and most obvious themes from the surveys was the need for an event that equipped churches and leaders in how to engage and connect with people of different generations. The survey also sought information about the format (in person, virtual, etc.).

On March 15<sup>th</sup>, we hosted “Engaging the Generations” at United Wesleyan Church. I am beyond thankful for United’s willingness to allow us to use their space and for all the volunteers that helped prepare the space for the event. The event itself involved 4 different breakout options (attendees selected two):

- Kids – led by Rev. Stephanie Rhyne
- Youth – led by Rev. Santes Beatty
- Young Adults – led by Rev. Josh Tipton
- Senior Adults – led by Rev. Eddie McClure

At the close of the event, we all came together for a large group session about intergenerational ministry led by Rev. Amanda Fowler. (If you missed the event, you also missed out on an opportunity to play GAMES in church!) Intergenerational ministry requires us to be creative and think outside the box. This was such a wonderful way to wrap up the event. I think that everyone who attended the event left with new ideas and encouragement in ways to better engage people of all ages. All of the sessions were recorded and we have plans to make those videos public in the future.

Thank you to all who made this event possible, including: the committee, United Wesleyan Church, the men and women who gave time to speak at the event, the churches who promoted the event, and district leadership. As ministers and lay leaders, may we all be reminded that the body of Christ is made up of people of all ages. My prayer is that this next year would be filled with new growth and life within the lives of the people in our churches and communities. I believe the Lord wants to do amazing things in and through the NC West District.

In the Lord’s Service,

Rev. Elizabeth Cohen

## **NC West District – Next Gen Leader**

### **2024-2025 District Report**

As I have reflected on our efforts to identify and train those called to ministry over the last few months and even the last few years, I asked this question: “What is our motive behind this? Our intentions and our activities for the Lord are only as good as our motives behind it. I am not sure if any of you are like me, but I often find myself focusing on the means to an end instead of the end goal. Of course, we want to increase the number of those called to ministry and help kindle that fire in them. Obviously, we want more of those who are called to study for the ministry and ultimately come and serve in our district. But at the end of the day, all our efforts must be focused on one goal – the Lord adding to the number daily those that are being saved. Maybe the first step after an initial call to ministry is to create a sense of anguish over the lost; to develop a sense of urgency that if we don’t do something about it, who will. In Isaiah 6:8 says, “Then I heard the voice of the Lord saying, “Whom shall I send? And who will go for us? And I said, “Here am I. Send me!” If we aren’t seeking the lost and sharing the message of Jesus and his power to change their life, our efforts are all in vain. My prayer is that God would continually purify our motives. That he would give us true anguish over the lost and it would lead us each day to action.

Thank you so much for the opportunity to serve. It is truly an honor. Below, you will find a few highlights and goals for the future.

- 27 students made first-time commitments or recommitted to follow Jesus.
- 77 students responded to a call to ministry or missions.

While these are just statistics, each number represents a story, a moment of encounter with God, and the support of a local church that made their participation possible.

## **Ongoing Leadership Connection**

In addition to camp, we have prioritized consistent community and collaboration among our youth pastors and leaders. Over the past year, we have met monthly to connect, encourage one another, and grow together in our calling to disciple the next generation. These times have strengthened relationships, sparked shared vision, and opened the door for sharing resources across churches.

## **Investing in the Next Generation**

It is deeply encouraging to see our churches continuing to invest in youth ministry—not just through events, but by equipping and maintaining strong youth leaders and pastors. These leaders are on the front lines, guiding students through the challenges of life and pointing them to the hope of Jesus. The health of our district's future is directly connected to our commitment to raise up and support those leading the next generation—and it's exciting to see that commitment in action. I want to continue to challenge every church to continue to support your next-gen ministries through prayer, generosity, and your time.

## **Looking Ahead: 2025 and Beyond**

We are already preparing for another incredible District Youth Camp this summer, and we are hoping for an even greater impact this year! In addition, we are looking forward to the Empowered Tour this October! This event will be a great opportunity to build momentum leading into the next Follow conference; as well as, give students another opportunity to connect with peers all across our region.

Let's continue to pray, serve, and partner together as we champion the next generation. Thank you for your continued support, generosity, and belief in what God is doing through the youth of our district.

Sincerely,

Thomas Canfield

## 2024-2025 District Children's Ministry Report

It is a complete honor and privilege to be able to serve our district in this capacity!

Children's Ministry is vital. I'm so thankful for the value our district and churches place on starting children with the foundation of a relationship with Jesus. I love seeing pictures and hearing reports of how God is moving throughout the children and leaders in our district.

We are incredibly blessed in our district to have a SOLID group of children's leaders and pastors. This is a true gift.

Kids' Camp 2025 is right around the corner!! Our theme is The Challenge. Let's be honest...life is a challenge.

No matter what happens, God's promises are true. We know that He is with us and we can trust Him every step of the way. We are going to dive into the life of Joseph and learn some very important and foundational truths.

Rev. Elizabeth Cohen is our Camp Director and does an amazing job leading and executing camp. It is going to be an amazing week that I promise the children in your church do not want to miss it!!

One of the programs within camp that has grown into a "good problem" is our CIT (counselors in training) program. Within 24 hours, we had twenty five 13-18 year-olds sign up to serve at camp. While it is so exciting, it also creates obstacles. We are creatively working to revamp parts of this program to allow for a manageable amount of students to be able to participate.

Last summer, we were able to honor Rev. Selina Wheeler for her many, many years of leadership at camp and within NC West Kids. She is "retiring" from leading at Kids' Camp. She continues to deserve to be honored. We are so appreciative of ALL she has done.

For camp, the deadline for the registration prices listed is June 22nd. After the 22nd, there will be a \$50 late fee. If you have any specific questions about camp or would like more information, please connect with Elizabeth or myself.

We have two opportunities for you to stay connected to what is going on in the children's ministries of the district. We have a group who meets several times a year. It is a great time of encouragement and resourcing. I also send a monthly newsletter style email. If you, or someone in your church, is interested in these things, please let myself or Nancy know.

I would love to connect with your church and help you in any way I can. I will do my best to help with resources, training, or anything that you, your staff and your church families may need.

We are all in this together!

Grateful to Serve,  
Rev. Kaylee Wilkerson

## **Church Multiplication / Church Planting Director's Report**

### **2024 / 2025 Year-End Report**

NC West,

This has been an eventful year as we step some new pathways to church multiplication in the NC West District. Salt Community Church launched in March of 2023 and celebrated its first anniversary in 2024. On the negative side, Dillon Kimmel (church planter) abruptly resigned from his position in May. On the positive, the church is resolved to continue with the same mission in Maiden, NC. They will currently have fill-in pastors until they interview their own candidates.

On April 1st, the district entered a partnership with the Nitrogen Church Planter network, which will assist us in building an urban church planter culture to recruit and train urban church planters and launch new ministries/churches in urban settings. Nitrogen is headed by Troy Evans, a Wesleyan urban church planter. This initial partnership will last 2-3 years.

On May 28, Jerry Lumston and myself began a conversation with Mobilize the Church, a discipleship and church multiplier network headed up by Wesleyans, Dwight Nash and Jon Weist. We are initially looking to partner with Jon on discipleship training being offered to our churches. This training will seek to develop multipliers within our churches which will lead to new ministry expressions. Look for a potential fall cohort to be the first step in this initiative.

Dirt Roads Network continues to partner with several of our rural churches in unique consulting and discipleship for the rural church setting.

Over the coming year, we are seeking to identify additional avenues to new church plants:

- 1) Church Planters – if God is laying on your heart the idea of church planting, let's talk. We would like to plant a church or more per year in 2025-2028.
- 2) Churches Filling to Plant (in some way) – whether your church is ready to birth a new church, provide facilities for a new church, or financially assist a new church, we would love to talk and strategize how God might be opening a door through your church.

Church planting and church renewal are not without challenges and difficulties. It is often two steps forward, and one step back. However, we remain resolved to develop a church-planting and church-renewal culture throughout our district. The finances are strong in this area, but often "the laborers are few." Please join us in prayer this year for the district's multiplication effort and anyway God might be calling you to be a part of it.

Blessings,

Tom Raven  
Director of NC West Multiplication

## NC West Missions Director Report 2025

Hello NC West District,

As we continue in this new year of 2025, please remember our missionaries in various countries and those doing mission work to other cultures in our nation. The ministries that each of these men and women is doing are vital to the kingdom of God, and God is using them to make a difference in the lives of many people globally. We should always be appreciative of the work, the sacrifice, and the commitment they have to taking Jesus around the world.

**District Mission Project** - Our district mission project continues to be focused on Guyana and Suriname. We are constantly staying in contact with the leaders in both of these countries and the work that is being accomplished. Angie Hemric is doing an awesome job in Guyana, and even though we do not have missionaries in Suriname, the national leaders are continuing to preach and teach the gospel throughout our churches and to anyone who will listen.

**Guyana Update** - Please continue to pray for Angie as she works with the Wesleyan churches of Guyana, the leadership, and the children through her after-school programs. Pray for her as she ministers to parents of the children and is used by God to make a difference for the cause of Christ.

This past January, we sent another team to Guyana. The team was led by Bethany Lynch of the Missionary Wesleyan Church in Forest City. Here is Bethany's report:

The goodness of God and His faithfulness were overwhelmingly evident during our trip. We arrived in Guyana exhausted from our long journey. We stayed at the mission house, and I was amazed at the amount of progress since our last trip. As a team, we spent time conducting Prayer Walks, talking with locals, and observing and learning from the culture.

Mornings were spent in Bible Studies and devotions as a team, and our afternoons in the classrooms helping Angie with lessons. We built relationships with the kids by playing games and having a Fun Night with all the children. We had opportunities to share testimonies. Many of them could relate with our testimonies because they had dealt with some of the same issues some of our team members had dealt with, such as abuse, neglect, alcoholism, drug addiction, absent parents, and family members.

Several of the students made decisions to recommit their lives to the Lord, and some made decisions to follow Christ for the first time. I was reminded of the Scripture in Matthew 9:37-38, "The harvest is great, so pray to the Lord who is in charge of the harvest, ask him to send more workers into his fields."

The community and culture are changing, and Angie is doing well learning, adapting, and respecting the culture. She is loved by the community, has built many relationships, and is bearing much fruit for Christ. Continue to pray for Angie and for the people of Guyana. We are looking forward to our next visit.

One of the projects that Angie leads and needs our help with each year is the "Backpack Project" for the students. If you would like to donate funds to this project, you can do so through the district. The total cost for this year is \$2900.00.

**Suriname Update** - One of the biggest projects in Suriname is the renovation of Pelgrim Kondre School. The Firestone Wesleyan Church and Larry French continue to head up most of the project needs at the school, and we are so blessed to have Larry and Firestone as part of our district. Also, Greg Edmond, of Global Partners, is leading a big part of this project, seeking help from across the denomination.

In one of the last emails I received from Greg he gave an updated list of tasks needed to be accomplished at the school:

1. Volunteers from the church in Suriname remove the existing roof from Dorm #1 prior to the arrival of the first mission team in September.
2. All materials are purchased and delivered to Pelgrimkondre the week before the mission team arrives.
3. Indiana South Mission Team (Sept. 21 - 28) works with local volunteers to construct trusses and install new roof on Dorm #1. We will bring the information for designing the trusses. The team and local volunteers will construct trusses, install the trusses, and install the metal roof in 3 or 4 days.
4. Volunteers from the church in Suriname remove the existing roof from Dorm #2 prior to the arrival of the second mission team in October. We could possibly begin this with the volunteers and team during the first mission team's time at Pelgrimkondre.
5. All materials are purchased and delivered to Pelgrimkondre the week before the second mission team arrives.
6. Firestone Wesleyan Mission Team works with local volunteers to construct trusses and install new roof on Dorm #2. We will bring the information for designing the trusses. The team and local volunteers will construct trusses, install the trusses, and install the metal roof in 3 or 4 days.

## *Global Missions Director's Report - Continued*

7. Plumbing and water tank construction. Purchase materials with money from the church mentioned above that is sending \$3,000. I have a volunteer who wants to come early in 2025 to do the water tower(s). He is a brick and block mason.
8. Complete electrical work
9. Complete ceilings, replace doors, repair windows, add window screens
10. Paint entire building

So, as you can see there is still lots of work to be done. As we continue to get more updates, we will pass them along to our district. If you can help or would like to be a part of a team, please let me know. Please continue to pray for all of Suriname and all of our leaders in the Suriname Wesleyan Church.

**New Missionary – Haley Quarandillo** - Haley will be joining the Collins in Cambodia. She is the daughter of missionaries who served in South Africa and is excited to answer her call to serve God as a missionary, as her parents did. If you can partner with Haley with your prayers and with your finances, please join her team through Global Partners. WM04-0455/ [gponline.org](http://gponline.org).

If you would like to schedule her for a service at your church or a special missions meeting, you can contact her @ **864-989-1730 or [haleyraeq@gmail.com](mailto:haleyraeq@gmail.com)**

**Adam and Krista Jones** - Please continue to pray for Adam and Krista Jones as they serve the Waha people. As of February 13th, they introduced a new team member who will be joining them in the fall. They continue to build relationships and minister to people with the love of Jesus.

If you would like to receive updates from Adam and Krista, you can do so by emailing **[wahaland@updates.epistle.org](mailto:wahaland@updates.epistle.org)** or emailing **[adam.jones@gponline.org](mailto:adam.jones@gponline.org)**

**Phil and Becky Davis in the Philippines** - Phil and Becky are continuing in the work God has called them to at the Nazarene Seminary in the Philippines. God has been using them to help students from the Philippines and the Asia-Pacific Area. They are also preparing to teach in Indonesia. Pray as they work on the details for this future opportunity.

Phil and Becky will be home during the summer. They will be scheduling Churches to visit and hoping to build up their prayer support as well as their financial support. Please try to schedule them at your church if possible. If your church is not supporting missionaries through Global Partners, Phil and Becky are a great couple to join in God's work. Contact them by email at **[phil.davis@gponline.org](mailto:phil.davis@gponline.org)**

### **Prayer Needs:**

- Currently, our support stands at 83%. Please pray that God will place this ministry on people's hearts. We long to continue this valuable work in the Philippines.
- Pray for our Bible College in Indonesia. Negotiations are underway for Becky and I to teach at that school. They need guest lecturers with doctoral degrees to teach at the school for governmental recognition and accreditation reasons. Several hurdles exist that need to be addressed before either of us can help the school.
- Please pray for the work in Mongolia. The church needs to provide theological education for its leaders. A missionary on site is working to care for this need. No doubt, she would appreciate your prayers.

**Don and Cheri Floyd of Papua New Guinea** - Don and Cheri have been in PNG for 30-plus years now. I have had the privilege of working with them during my time in PNG. They are truly dedicated to the work God is doing through the Wesleyan Church in Papua New Guinea.

We are looking forward to having them at our District Conference this year, and I hope your Pastor and delegate will take time to connect with them.

Recently, at the Bible College, one of the Married Housing Units caught fire and was destroyed. Don oversees the building maintenance at the Bible College, and they will be raising funds to rebuild the housing unit. It is extremely important to get this housing unit rebuilt. If you can help by donating toward this, please contact me or talk with Don and Cheri during the district conference.

**Andrew and Lexi Collins in Cambodia** - Andrew and Lexi have been busy with the ministry in Cambodia as well as being a part of the International Conference in South Africa. They will be home in the USA for three months this summer. If you can schedule them to visit your church, they would love to come and share what God is doing.

Please pray for them as they finish all the work that needs to be done before they leave for the USA in August. Pray for their travels and the time they have at home connecting with family, friends, and their ministry partners.

**We are blessed to be a part of a district so focused on missions near and far. Let's continue doing everything we can to help those who have answered the call to leave home and country to take the gospel and the love of Jesus around the world.**

# **Hispanic Ministry Report**

Rev. José Minoso

Director of Wesleyan Hispanic Ministry

North Carolina West District of The Wesleyan Church

I want to begin by thanking God for the opportunity He gives me each year to serve Him as director of the Wesleyan Hispanic Ministry of Western North Carolina. It is an honor and privilege for me to be able to serve in this district. I also thank our entire district and our Superintendent Jerry Lumston for their dedication to Hispanic work and for their vision toward planting new churches. Thanks also to Pastors Danilo Aguilar and José Ariel Rodríguez, also to Secretary Emmy Bonilla (Hispanic District) and to all the faithful Hispanic pastors for their help in this ministry.

To begin, in January 2025, a Hispanic church in Morganton, Iglesia Jesús El Buen Pastor along with its pastor, Rev. Mauricio Castro, joined our denomination. We spoke with Pastor Glenn Wards, the leaders and the congregation of Morganton Wesleyan Church, and they opened their facilities for this Hispanic church to begin to congregate there. I thank Pastor Glenn, the leaders and the congregation of Morgaton Church for sharing their facilities with this Hispanic work. Thank Jesus for them!

Also, I would like to let you know that the Hispanic Wesleyan Church Faro de Luz, with its pastors Mario and Yolanda Diaz, decided to join the First Wesleyan Church of Mooresville. The goal of doing this is to work together and become a multicultural church. I ask you to keep praying that the Lord will bless you in this new stage of these two congregations.

On the other hand, Pastor Danilo Aguilar and I were talking with Pastor Fernando Merino, who is pastor of Ark of Salvation Christian Church in the city of Charlotte near Kannapolis. This church was founded in 2007 and currently has an attendance of 120 people on Sundays. Pastor Fernando Merino is interested in organizing as members of our denomination. They, too, need God to open a door for them where they can gather comfortably.

Hispanic ministry continues to pray that God will open doors for us to plant new Hispanic churches in North Carolina. In addition, AVIVA Bible Institute persists in preparing ministers so that in the future, when God calls them to the planting or pastoral ministry, they will be ready.

As every year, our goal has been to strengthen and build up our Hispanic churches through events where we seek God's presence, unity in the Spirit, spiritual edification, and organization of each Hispanic church. Here are the events we held during the 2024-25 fiscal year:

1. Youth Camp – July 2024.
2. Pastors & Teachers Seminar – July 2024
3. Women's Conference – September 2024.
4. First Friendsgiving Hispanic Youth Ministry Dinner – November 2024
5. United Youth Service: Celebrating Christmas. December 2024
6. United Cult of the Plains. – January 2025
7. United Cult of the Mountains – February 2025
8. Pastors and Leaders Conference – March 2025.
9. Quarterly Pastors' Meetings
10. Five visits to Hispanic churches.

*Director of Wesleyan Hispanic Ministry Continued*

Finally, as director of Hispanic Ministry for the Western district and with the help of the Lord and the Holy Spirit, I will continue to work on the organization, multiplication, and planting of new Hispanic churches in our district. I ask you to pray that the Lord will raise up new church planters filled with the Holy Spirit, with passion for lost souls and love for God's work.

In Christ,

Rev. José Miñoso  
Christ Lives Wesleyan Church Pastor  
Director of Wesleyan Hispanic Ministry  
North Carolina West District of The Wesleyan Church
